

Arrest & Booking Module

A complete **Arrest & Booking Application** for Law Enforcement that is **easy to use**, and flexible enough for **every Agency**. The Police Central A&B Module captures **NIST compliant digital mugshot photos**, complete **biographical information**, **Arrest & Supplemental Information** that is easily **customized** to your local needs. A&B is the **cornerstone module** of the entire family of Police Central's **Web-Based Solutions**, and performs all aspects of modern **Jail Operations** including **Classification**, **Inmate Moves**, and **Sentence Calculation**. Automatically checks **Warrants** and **Civil** modules for outstanding papers and detainers. Best of all, it is **easy to maintain**, and **AFFORDABLE**. All data is **fully searchable** for investigations. Police Central maintains a **"Jacket"** for each person, containing all **"transactions"** for that person. **"Flags"** & **"Banners"** graphically display up-to-date, critical inmate information to all users, indicating inmate **"Current Location"** as well as flagged **Alerts**.

Personal Information Section

The Personal Information Section captures all relevant data, including **Mugshots**, name, addresses, aliases, height, weight, hair, eyes, facial hair, complexion, etc. and utilize **Drop-Down Lists** for easy, **NCIC standardized** entries. Maintains complete **histories**. All fields are **Searchable** in any combination. A&B generates **Jail Population Report**, as well as Wanted Posters, Wrist Bands, and other Jail reports. Automatically **flags juvenile** records. Provides complete **audit trail** indicating user who has created, accessed, modified or deleted records. System maintains key identifiers, including FBI number, State Offender number, and even Henry Fingerprint classifications. Other supplemental fields may be added for **local** needs.

#	Charge	Count	UCR Code	Bond Type	Amt	Cleared?
1	Simp battery-m- (16-4-23)	1		NONE		Yes
2	Theft/taking-f/m- (16-8-2)	1		Cash	\$8,300.00	Yes
3	Bail/bond jump-f/m- (16-10-61)	5	1234	Cash	\$4,500.00	Yes
4	Carry a concealed weapon-f/m- (16-11-126)	3	9987	NONE		Yes

Arrest Transaction & Housing

Details of the Arrest are entered in this comprehensive section. Arresting agency, dates/times and personnel are all tracked. Complete, localized **Arrest Charges** and **Bond Information** are easily entered via "Drop-Down" Lists to standardize entries. Police Central tracks Housing, and Inmate Moves, and controls the **RELEASE** process. Inmate Moves may be done immediately, or **scheduled** in the future to simplify court and medical transports. The system maintains a **complete history** of inmate movement in the Jail. Holds, Victim Notification, Inmate Associates, Inmate Billing and Inmate Victims are all maintained by the system. Optional Police Central Submodules handle Inmate **Property**, Inmate **Medical**, Inmate **Visitors**, Inmate **Cash Account** and Inmate **Officer Reports**.

LineUps and Reports

Police Central simply has the **Best LineUp** and **Reporting** capabilities available. Find your **Suspect**, and gather all other photos with similar biographicals and Police Central will create the LineUp. Photos may be substituted and enhanced by Police Central's exclusive controls; and a complete **Investigator's LineUp Report** certifies all details and is printed with the **Photo LineUp**. Our **Administrative Reports** generate **Jail Population Lists**, Booking and Transport **Profiles**, **Wanted** and Missing Posters, **WristBands**, and **Suspect Lists** for Investigations. Police Central's exclusive **Ad Hoc Reports** makes special purpose reports fast and easy. All reports may be stored on disk and even **emailed** to colleagues or other agencies. Users may create and store for reuse other reports needed by the local agency.

Other Modules for Complete Jail Management

- INMATE CLASSIFICATION** -- NIC compliant questionnaire & scoring for all inmate classifications.
- INMATE MEDICAL** -- A certified **Inmate Medical Questionnaire** for gathering an Inmate History at the time of Booking. Prints a one-page Medical Profile, complete with inmate photo.
- INMATE PROPERTY** -- Builds a complete inventory of inmate property taken at time of incarceration. Controls locker assignment, property release, and prints a complete report, including inmate signatures.
- INMATE CASH ACCOUNT** -- Maintains a complete **transaction-based history of monies received**, and spent by the Inmate for easy reconciliation.
- INMATE VISITOR** -- Controls all visitation. Automatically checks Police Central Warrants and Civil Papers for outstanding Writs and Warrants on visitors. Captures photo of visitor if desired. Maintains list of authorized visitors, as well as a Restriction List.
- OFFICER REPORT** -- Used for Jail Incidents involving Officers and/or Inmates. Full details, Action Requested, Date/Time, including Narrative.
- INMATE TRACKING** -- Builds complete history of Inmate Movement and Cell Assignment within the Facility. Also tracks Court Appearances, Medical Appointments, complete with Involved Officer, Date/Time, Reason, etc.
- INMATE IDENTITY VERIFICATION** -- Verifies Identity of Inmate for movement and release via Single Fingerprint and/or Facial Recognition
- FACIAL RECOGNITION** -- Compares "subject" photo with the library of mugshots; identifies exact or likely facial matches.
