

Staff Module

Many Agencies have a need to track **sworn** and **civilian Staff** information including **photographs**, biographicals, addresses, emergency contacts, medical, assigned property, skills, and other information. The fully searchable Police Central Staff Module fits the need. And, Supplemental Information Section can be **completely customized** to local requirements. The optional Police Central ID Card Printer will produce a driver license card-size **ID for your staff**, complete with a **photo** and optional **fingerprint and signature**— designed to your specifications. Like all Police Central Modules, it may be purchased separately or in combination with any other Police Central Module.

Personal Information

The Staff Biographical Section contains **name**, aliases, and full **address** information, including Mailing, Physical and Temporary addresses. Full NCIC descriptors for Race, Sex, Height, Weight, etc. and all fields are fully searchable. Any number of photos may be attached to the Staff Record. The Personal Information Section also contains the Staff Photograph, and optionally fingerprint and signature mages. Section contains Emergency Contact, Physician and Blood Type. All data is security controlled to prevent unauthorized access to certain information. A Banner prominently displays current Rank (or position), Number and Division.

Medical, Assignments and Property

Each category contains a List Box for a complete history of **Medical**, **Assignments** and **Assigned Property**. Thus an individual's critical information is always instantly available. The **Assigned Property Section** contains description, dates, serial numbers and other inventory information. Reports detail all property assigned to a person.

Current Organization, Skills and Certifications

This section contains information relating to the **current assignment** of the staff member, including Department, Shift, and Dates as well as other relevant information. Separate List Boxes contain information concerning **Skills**, **Training**, **Scheduled Training**, and **Certificates**.

Administrative Reports & ID Cards

Police Central's extensive **Reporting** capability permits the user to create any number of different Staff or Departmental **Directories** -- even with or without photos! And, records can be quickly retrieved using the **FIND** function. For instance, a Report can be quickly generated listing all staff who have completed K-9 Training -- or who is scheduled for **Firearms Certification**. Police Central will also produce a laminated, full color, **plastic ID Card** containing the Agency patch, complete with a photograph and optional fingerprint. ID cards may be single or dual sided.
